Notes:	
It is the responsibility of sub-contractors and third party suppliers appointed by Enigma to ensure and comply with the following:	
1.	All materials and construction elements to be installed in accordance with local authority fire & safety regulations.
2.	All construction to be in accordance with local authority building regulations and must comply in the interests of the health and safety of the building users, of energy conservation, and access and facilities for disabled people.
3.	All construction, audiovisual & graphics / messaging content to be completed by and in accordance with supplied enigma project specifications and detailed production schedule.
4.	Sub-Contractors to supply all relevant engineering calculations and documentation in respect of local authority regulations.
5.	All Sub-Contractors to supply all relevant customs & excise documentation & adhere to local authority customs regulations & duties.
6.	Main Sub-Contractor to ensure all delivered items to be finalised, cleaned, & completed for client handover in accordance with the signed off enigma production schedule.
7.	All contractors to ensure that any installed items (where applicable) are not fixed permanently to the fabric of the building and that no damage is incurred to the venue during installation or de-install. Damage will be at the sub-contractors own costs and not that of Enigma.
8.	All sub-contractors to produce own install de-install risk assessment documentation and supply a copy to Enigma and the venue/ show organisers where applicable.
9.	All sub-contractors to ensure a minimum £2,000,000 third party indemnity insurance cover in place for current projects. Copies to be provided as proof of cover during the insured period required.
10.	It is the responsibility of all sub-contractors to advise Enigma of any areas of concern regarding any items with-in any documents that may effect the delivery or safety of the product.
11.	It is the responsibility of all sub-contractors to ensure all items produced or ordered are covered by adequate insurance up until the point of signed off handover to Enigma and on any de-install following closure of the activity, and any items requested to be subsequently stored on the clients behalf.
12.	All equipment utilised in the delivery of the product or products ordered are to be approved and certified as safe and fit to use by the workforce and that staff are trained accordingly.
